学力検査（英語）

B. 次の英文を読んで、各空所に最も適当なものを①～⑤から選び、番号で答えなさい。

People around the world enjoy (11) _____ animals at home. Having a pet is important to their daily life because it brings both happiness and responsibility. Before getting a pet, it is important to (12) _____ about what the animal needs. Every day, owners must (13) _____ time feeding their animal and making sure it has fresh water. A pet also needs a safe, comfortable place to sleep and relax.

(14) _____ is very important for pets. For example, dogs should go outside several times a day. Owners must (15) _____ them for walks and play games like fetch. Cats may play inside, but toys and climbing spaces are still necessary. Owning a pet can also teach children many lessons. They learn (16) _____ to be gentle and patient, and they understand that other living things have feelings.

Animals sometimes become sick or injured. When this happens, good owners bring them to an animal doctor. Pets (17) _____ money because food, toys and medical care are not free. Before choosing a pet, people should consider their (18) _____. For someone who works long hours outside the home or who frequently travels, a small animal that needs less attention might be best. A busy person, for example, might (19) _____ a fish or hamster instead of a dog.

In return for good care, pets give us loyal friendship and love every day. Many studies show that people with pets often live longer and feel less stress overall.
